

# Llantilio Pertholey Church in Wales Primary

I can't believe I've been the headteacher at Llantilio Pertholey Primary School for over a month already. And what a month it has been! The weeks have had their challenges, not least the coronavirus outbreak.

Thank you to all of the children, staff, parents, governors and the whole school community for your support and your welcome.

*Helen King* (Headteacher)

We are trying to get information to parents through SCHOOP, SeeSaw and the website. Please make sure you are checking in:

We have all worked really hard to publish home learning on the school website. I hope you have all managed to access this at home. This will be updated every week during the term time. If you have any questions about the work please use SeeSaw to contact the class teacher.

I have asked teachers to call all homes and families from time to time to support you during the school closure. If you have any problems or issues in between these phone calls please email the school at:

**Following the guidance from the Welsh Government and the local authority there will still be a school Easter break from Friday 3rd April-Friday 17th April. Teachers will not be setting work for this 2 week period.**

There are plenty of ideas to keep you busy on the website.

Have a look at the ideas for topic work, just click on your child's class tab e.g. + Year Two

There are plenty of other ideas to keep you occupied on the Home Learning page on the website.

If that's not enough to be going on with, why not try the **Chain Reaction Challenge!**

Have a look at these:

If you do manage to have a go perhaps you can send a photo or video to your teacher on SeeSaw and we could put some on the website.

Please keep yourselves safe and keep yourselves well. Listen and adhere to the guidance. We will get through this together.
