

### Literacy across the curriculum

- Create a fact file about endangered animals.
- Write a letter to persuade people that your opinion on saving the planet is the right opinion.
- Describe the rainforest, using 2d sentences
- Write a poem, reflecting the beauty of our planet.
- Draw a poster, encouraging people to plant a tree.

#### Welsh-

Film yourself walking through the forest, describing what you see- **Es i/ I went**

**Gwelais i / i'r...**I saw / I saw the...

**Beth gest ti?** What did you have?

**Sut oedd y ?**How was the ?

**Roedd yn...** It was...

### Numeracy across the curriculum

- Investigate how many of each type of animals there are in the world
- How many animals are endangered?
- How tall do the trees grow in the rainforest?
- How high do trees grow in this country?
- What is the area of the Rain Forest?
- What is the size of the National Park in Wales?
- Keep a record of the things you have recycled.
- Litter pick and make a graph of the litter you found.
- Find leaves and sort them according to size.

### Science and Technology

- Look at photographs of seeds. Investigate why they look so different. How do they move away from their parent plant?
- Draw a picture of a trees and label the main parts.
- What features does a camel have to help it live in the desert?
- What is the life cycle of a daisy?
- What is the life cycle of an oak tree?
- Build a model of the rainforest. Why is everything so close together?
- What does 'to recycle' mean?
- Why are leaves green?
- Create a habitat in the garden for slugs and snails
- Design and make a bug hotel
- Investigate and keep a tally chart of what creatures you find under stones and logs.

## Our Planet Our Future.

### Humanities

- What is the climate throughout the year in the UK?
- Make comparisons between the climate of the UK and that of the rainforest
- Why is keeping the rainforest important?
- Are there any similarities between the rainforest and Wales? List the differences.
- What is your opinion on cutting trees down?

### Expressive Arts

- How to draw an orangutan  
<https://www.youtube.com/watch?v=T8KCbYc7IB0>
- How to draw a tropical rainforest  
<https://www.youtube.com/watch?v=kKhNPKTBXSY>
- Research Henri Rousseau and how his techniques have been used in his imaginary jungle scenes
- Use leaves from different trees and create leaf rubbings with wax crayons or draw around them.

### Health and Wellbeing

- Discuss things that people have different opinions on. Understand it is important that you get your point across, listen to someone else's opinion.
- Recognise it is ok to change your opinion.
- Learn something new about global warming.
- What do you do to relax? Listen to different types of music and see which helps you to relax most.
- Write a list of things that are important to you.
- Where is your special place you like to go? Why is place special?

### RE Values –

- Notice and communicate your feelings about what you have heard and seen about the rainforest.
- Talk about it with someone else. Is there opinion the same as yours? Recognise that we all have different opinions and points of view.
