@LlantilioSchool

Dear Parents and Carers,

I have had confirmation that Sally Amos, Healthy Schools Practitioner for Monmouthshire Local Authority, is inviting you to a session about Relationships and Sexuality Education (RSE).

**The session will take place at school on Monday 30<sup>th</sup> January at 2 o'clock.**

Great care has been taken to ensure that all learning within RSE will be developmentally appropriate, and the teachers, stakeholders and professionals involved in its development have ensured that this is reflected within the Code. At a younger age, for example, children are taught about treating each other with kindness and empathy. As children grow older, they will gain an understanding of topics such as online safety, consent and sexual health, all at developmentally appropriate phases so learners aren't exposed to things that aren't appropriate to their age and development.

Sally will be sharing RSE resources and examples of work that children may be doing in school.

It is your opportunity to find out more about RSE and to ask any questions you may have.

We look forward to welcoming you.

Helen King  
Headteacher
