

# Llantilio Pertholey Church in Wales Primary

Dear Parents and Carers,

Thank you for all of the messages of support. All of the staff are really appreciative. It has been wonderful to welcome our pupils back in to school. We really have missed them.

Thank you for following the signs and setting a good example for the children.

It is really important that we continue to do this to keep the children safe.

So far this week the plan has run very smoothly. The children have been amazing. It is so lovely to see how excited they are coming back into school. I have liaised with my Governing Body and I have decided to extend the day for the 'Check-in' for the next 2 weeks.

Could I remind you to send in a snack and a labelled water bottle with your child. Next week, the children will also need a packed lunch. Please could you provide them with food that won't be too messy if the weather is poor as children will be eating in the classroom! If the weather is good, we will eat our lunch outside. Also children may need a sunhat and some sun screen applied before school if the weather is hot. Please may I remind you that children should not need to bring anything else into school. We are supplying stationery for your child and we will not be changing for PE.

The cleaning routines are going well. We encourage children to use soap and water primarily to wash their hands. We also have plenty of hand sanitiser throughout the building. Please do not let children bring in their own hand sanitiser unless there is a specific medical reason that you have informed us about prior to them coming to school.

We are still hoping to invite all of Year 6 in on Friday 17th for a socially-distanced get together. This is very weather dependant as we can't accommodate all of the children inside. I will let you know nearer the time if this is going to be possible and give you the details.

Please remember that we use **SCHOOP** to communicate information. There are details on the website of how to access SCHOOP. **IF** you want to stay up-to-date with information. This is the way the school office communicates with you and ***it is vital that you download the APP or you will miss important news.***

Your child's class teacher will communicate with you via **SeeSaw**, again it is really important that you download the APP.

All information is also put onto the website:
