Dear Parents, Carers and Children,

I hope you are all keeping well and keeping yourselves busy. We are all missing you.

Boys and girls, remember to do some exercise, eat your vegetables and be good for your mums and dads because your teacher might be calling home soon!

If you need anything please let us know. Keep safe and look after yourself.

We are trying to get information to parents as soon as we get it through SCHOOP, SeeSaw and the website. Please make sure you are checking in:

I hope you are managing to complete some work using the website. The teachers are working really hard to plan home learning for their classes. We are trying to plan work that is easy to follow, doesn't need printing out and that you can do from a screen. This is not ideal and I know it isn't easy, especially if parents need the laptop to work from home too. However, it just isn't feasible to print it all out and post it or deliver to everyone. Please do not worry if you can't complete all of the work. Just do what you can.

Remember there are plenty of ideas on the website that you could do that do not need a screen.

**Click on your child's class page for the 'Topic Overview'** eg click on + Year 2. You will find loads of ideas for our topic 'What a Wonderful World'.

There are also reading books for you to use on the website.

If you would like to show us some of your work or you have any questions about the work, please contact your child's teacher using SeeSaw.

## Key Information for Parents

### Secondary School

I have had a few enquiries about Year 7 places at King Henry VIII School. If you have a problem you need to contact the Monmouthshire County Council Student Access Team:

Phone: 01633 644644 Email: [studentaccess@monmouthshire.gov.uk](mailto:studentaccess@monmouthshire.gov.uk)

I have had a few discussions about transition and supporting children moving on. Obviously, we are dependant on what happens with the school closure. I will let you know as soon as any decisions are made.

### Schools Opening

I have had a few enquiries about when schools may be re-opening. I have had no information about this as yet. I do know that we are all, obviously, very keen to return to normal. The Welsh Government updates us daily. As soon as I have any concrete news I will let you know.

### Free School Meal Families

An online application form has been set up for parents who are entitled to FSM to complete. If you supply Monmouthshire County Council with your bank details they will be able to issue weekly payments of **£19.50 per child per week** to you aimed at providing food for the children while they are at home. This form is called FSM COVID 19 and can be found under this link:

## Key Information for Parents

### After School Club

We are looking at the feasibility of starting an after school care club at Llantilio Pertholey when we re-open. This would be a paid facility.

I first need to assess if this is something parents would be interested in. Please complete the short survey, (it will take you about 2 minutes to complete).

I am unsure how much it would cost but we would try to keep the cost as low as possible. Obviously, the more parents used it, the cheaper it would be for everyone.
