

Name:

Date:

There goes with where - it's about places.

EG. I like Tenby! I went there on holiday.

Their means it belongs to them.

EG. This is their house.

They're is short for they are.

EG. They're (they are) friendly people.

Highlight the mistakes in the following passage:

Write the correct word above the mistake.

Their are a lot of different people who live in London. They're are a lot of visitors to the city too. People seem to like visiting their. Their are so many sights to see when you're their. I like visiting the museums in particular - there really interesting. When you're in London, you need to go and see the guards at Buckingham Palace in there uniforms. There great! They're are often street-entertainers underneath the London Eye - they look good in there costumes too! While you're their, have a great time and make sure you see lots of different sights!
